

Specialized Instruction Sessions

Collaborate with a librarian to develop a 50-minute or 1-hour-and-50-minute session for your class(es) that covers some aspect of the research process (i.e., locating, evaluating, and citing sources). See link below for online request form.

Open Workshops

50-minute sessions open to all students & staff. No sign-up necessary. Hands-on worksheet included. *A great way to offer your students extra credit!* See the schedule below for topics, dates, and times.

Student Research Consultations

Students may request a 30-minute private session with a librarian for help locating, evaluating, or citing information for a particular research assignment. See link below for online request form.
