

Hello EOPS students,

This is a reminder that October is EOPS month. To further celebrate the EOPS fortieth birthday, tomorrow October 13th both Cypress and Fullerton College EOPS will conduct a brief presentation on EOPS success and submit a resolution for NOCCCD board of trustees to acknowledge the forty years of EOPS student success. Recently, some EOPS students have expressed that they would like to comment on EOPS. The North Orange Community College District allows community members to make comments if they fill out a yellow card before the meeting begins, if you choose to attend the meeting note it starts at 5pm. All student support is welcomed.

If you do not get a chance to see the NOCCCD resolution to EOPS you can view it at the EOPS birthday party on Thursday October 22nd from 1:30-3pm at the EOPS Fullerton College Office. You are all invited for cake and punch.

Sincerely,
Cecilia Alvarado
EOPS/CARE/Foster Youth Manager
